## Join Us For Girls Can! 2015 Saturday, March 14

Here we are just a couple weeks away from Girls Can! The event is **Saturday, March 14, at Lynn Middle School in Las Cruces, 8 am - noon.**

**We are celebrating 21 years of Girls Can!, and that is something to celebrate!**

If you don't have a specific volunteer job or are not a presenter this year, please come by anyway. If you have put in your

time for years and years and wonder what Girls Can! is like today, come see for yourself. And please join us for lunch afterwards. We'll talk about what it was like when Girls Can! first started. You can fill in the newer members like me!

If you are fairly new to the branch, please come to the breakfast and enjoy the welcome address by our own Julia Brown, Doña Ana County Manager and AAUW National Vice President, and also drop in on the workshops led by competent professional women, some of whom are our members!

I hope to see you there! Remember, Girls Can! changes lives. That's what we do and have always done! I hope to see you

## From Co-President Bonnie Eisenberg

Dear Friends,

It looks like March will be my last month in Las Cruces. We have sold our house and have set March 31 as our moving date. I know what I will miss most about Las Cruces is all of the good friends I have made here, especially all of you in AAUW.

I joined AAUW Las Cruces when I moved here eleven years ago, because I knew it would be a great way to make friends and get involved in the community. AAUW has enriched my life in countless ways and I have many memories I will always cherish.

I am thrilled that Ann McCullough has taken over Girls Can!, as I know she will do a great job and continue this important event for the girls of Dona Ana County. I am comfortable that I am leaving the branch in very capable hands, and I know you will do great things, have fun, and continue to be a positive force in this community.

My new contact information is in the yearbook, and I am on Facebook, so you can keep in touch if you so desire. John and I are looking forward to starting a new chapter in our lives, but we will not forget our wonderful friends in Las Cruces.

Best Regards,

*Bonnie*

**Do you have an article,**

The next two months will be super-busy for many of our members.

**Ann McCullough** has everything organized for **Girls Can!** - be sure to read her article above.

As most of you know, **Bonnie Eisenberg** will be leaving us at the end of March. **A goodbye luncheon is planned on March 15 (Sunday) at 1 pm. Please save the date - more details will be sent out in an email.**

Our other active committee is preparing for **two forums scheduled for Friday, May 1.** We are trying to "get out the word" about the **New Mexico Fair Pay For Women Act.** The forums will be at the Dona Ana County Building. The 8 am session is for lawyers and employers, and a noon session is planned for working women and others interested. We are working out final details for the event but will **need your help.**

***Signed into law by the governor in 2013, this legislation provides more protection to women than the current federal laws regarding pay equity. It prohibits wage discrimination based on an employee's sex and provides a state-based remedy for women who discover they are being paid less than men performing the same work.***

***Major points of the Act are:***

- \* Applies to employers with four or more employees*
- \* Disallows reducing the wages of an employee to comply with the Act*
- \* Allows a claim to be filed as much as two years from the last date of employment.*
- \* Allows claim to be filed in court or with Human Rights Bureau.*
- \* No fees for filing claim*
- \* Prohibits retaliation against an employee for filing a claim or against anyone assisting an employee in filing a claim.*

## **UPDATE - TECH TREK 2015!**

A smile of confidence and **accomplishment** from a participant of Tech Trek 2014.

---

New Mexico teachers were invited to nominate outstanding seventh grade girls by Feb 13, and **we received over 200 nominations for Tech Trek 2015. Twenty-two girls from the Las Cruces area have been nominated.**

Over the next three weeks, these girls will fill in applications and write an essay on "How you would use science or math to make the world a better place." In March, we will have many AAUW members interview the girls and their parents. Results of both of these steps will be input to the selection committee to choose the girls who will attend the camp.

**So - how many girls will be chosen?** That depends. Our fundraising has been very successful so far. We have received **\$5,000 grants from both Verizon and Sandia Labs/Lockheed Martin. Our Las Cruces branch has put up \$1,500 to match any contributions from our members, and we are very close to fulfilling this challenge.** Our budget for camp for 32 girls is \$31,000, and we have attained this.

**But we would really like to have 48 girls** be able to participate in this fabulous week of computer science and engineering, so our **ultimate goal is \$45,000.** We have grant requests in to several large companies, and we are very optimistic that with the generosity of our AAUW members and companies who support STEM, we will succeed in attaining this target.

**Are you ready to contribute to make Tech Trek possible for 48 girls this year?**

Send your check, made out to "AAUW", with "Tech Trek-NM" in the memo line - mail it to:

AAUW  
P.O. Box 6572  
Las Cruces, NM 88006

***The Tech Trek Committee thanks you so much for your support!***

## ALL ABOVE BOARD

The AAUW-Las Cruces Board meets on the first Monday monthly at 9:30 a.m. at the home of Co-President Bonnie Eisenberg. A new meeting site will be established after Bonnie moves to Colorado in April. **Meetings are open to all members.** Highlights of reports and actions of the meetings can be found in this column, based on Secretary Fran Plec's board minutes. The Board will meet next on **Monday, March 2.**

**A new feature of the OMV will be to provide minutes from board meetings for members to read. The process is this: minutes are taken at each meeting. They are then sent to board members for input concerning additions/corrections. The minutes are then approved at the following month's board meeting. They will be added to the next OMV in a pdf link (see below), so what is provided here in the March OMV are the approved minutes from the January 2015 board session. To read them, simply click on the blue pdf link below.**
